JOIN US FOR A TECHNOLOGY SEMINAR

Wednesday, June 6 – 8:30 am-1 pm

Marina Bay Sands Hotel & Convention Center

“Size doesn’t matter Anymore” – tips for conquering small, large, complex and odd part placement with ease”

- Special Guest Speaker: Market Trends in SEA
- Overview of OFA Manufacturing Challenges
- Technical Session: Server Assembly & Transitioning from Manual to Automated Assembly
- Fuzion™ Hands-On Equipment Demo
- Door Prizes for ALL
- Enter to WIN a Set of Wireless Bluetooth Headphones
- FREE Lunch & Networking Reception

www.uic.com

ODD-FORM AUTOMATION

Appliance/white goods, power conversion, industrial

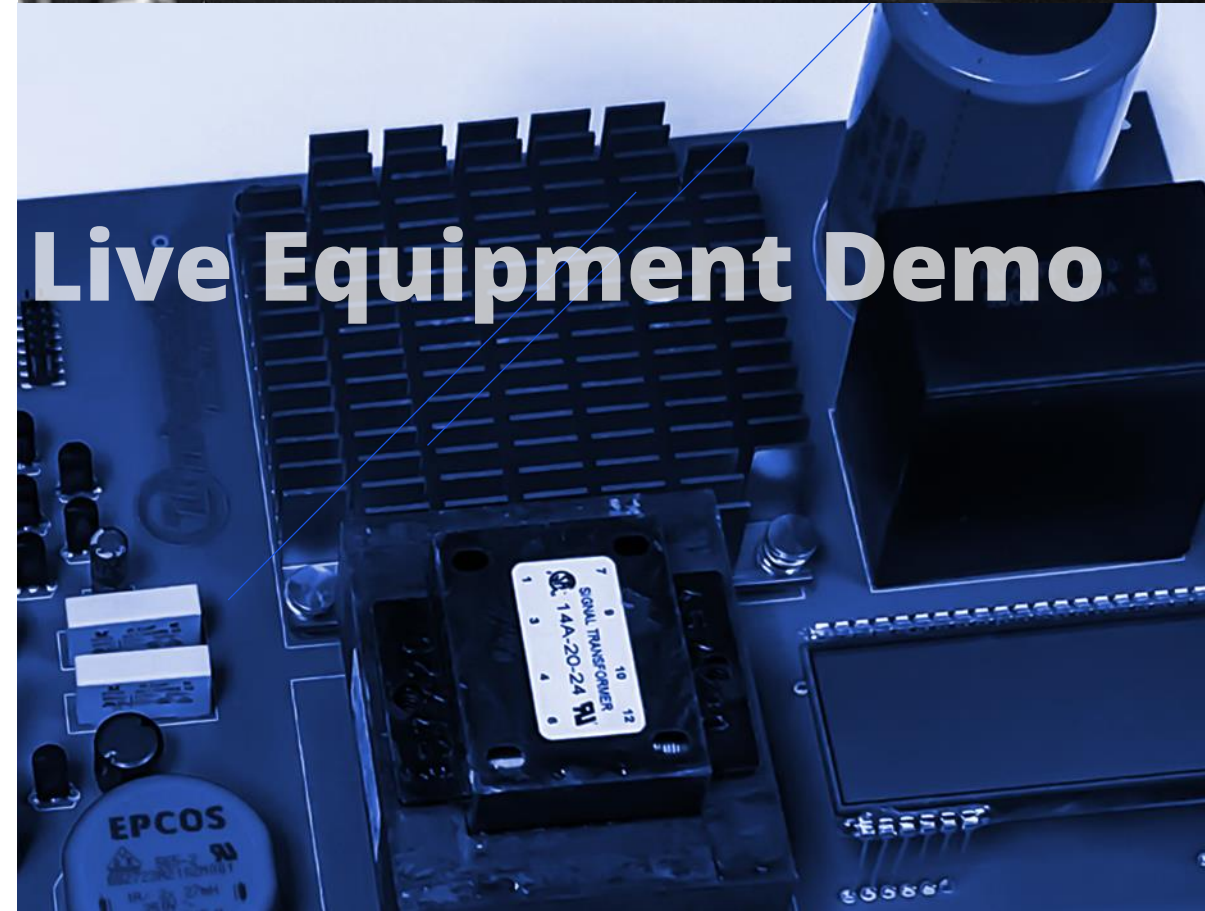

Challenges

- ROI for automation
- Wide component variety
- Extreme component sizes and placement requirements
- Labor costs increasing, quality decreasing

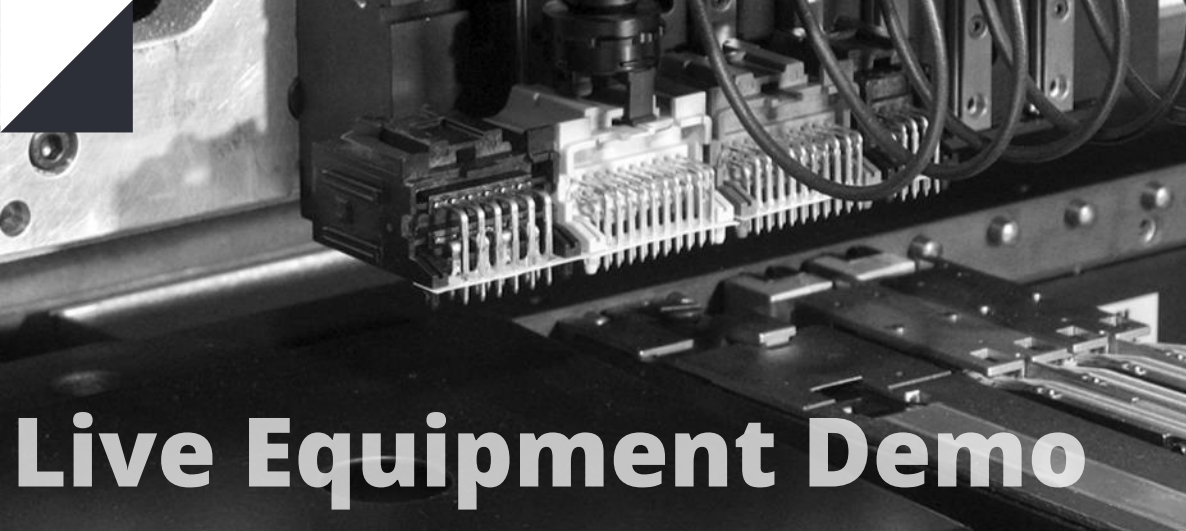

Universal Advantages

- <2-year ROI; 27K cph per module
- High-speed radial, axial and all odd-form
- 50 over 50mm place, flexible programming
- Superior output, yield & quality vs. manual

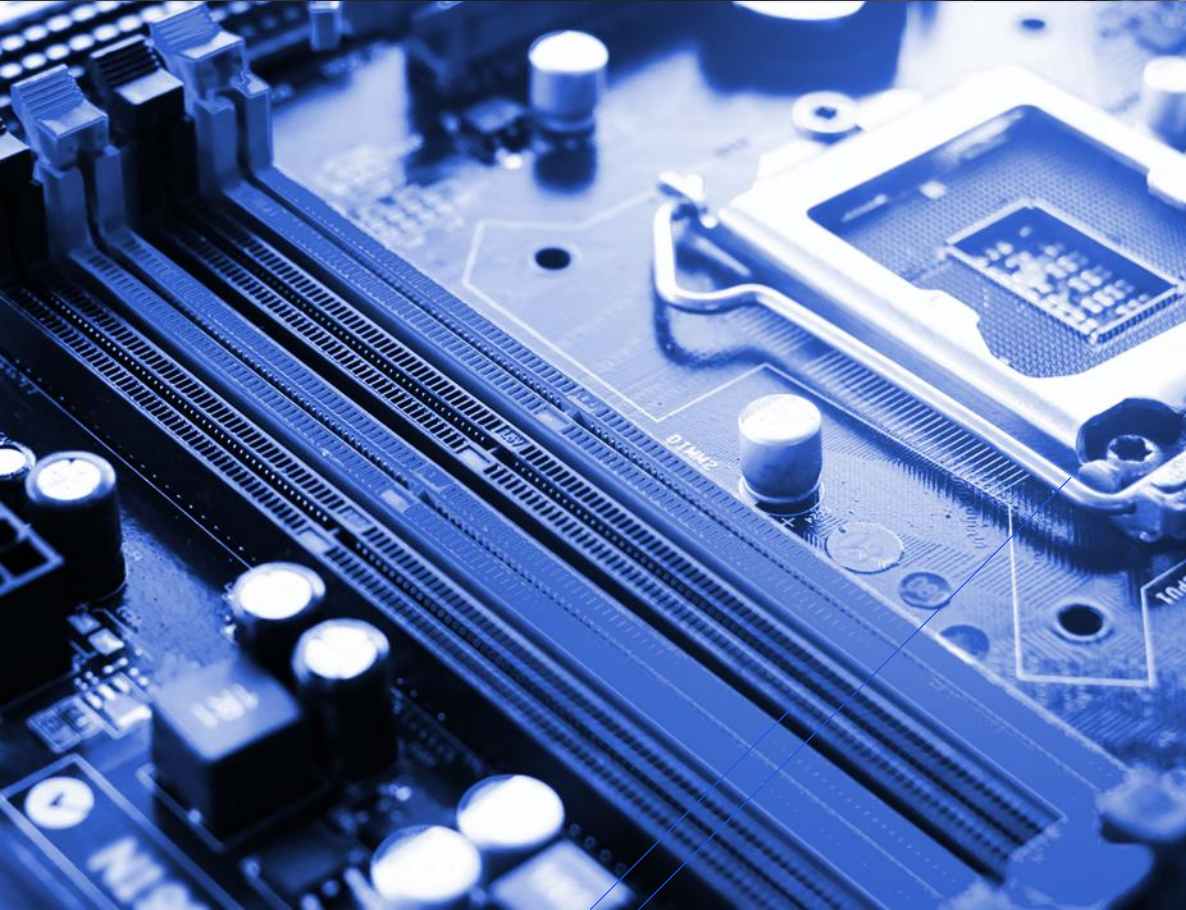

U1. *Odd-form assembly made standard.*

Live Equipment Demo

Live Equipment Demo

SERVER ODD-FORM

DIMM, XL BNGAs, Press-fit connectors, Pin-Through-Hole

Challenges

- ROI for automation
- Wide component variety
- High-density pin inspection
- Varied component presentation

Universal Advantages

- **<2-year ROI; 27K cph per module**
- **14 unique grippers/nozzles, 10kg force; industry-fastest DDR DIMM socket & press-fit placer**
- **08004-150mm square & 25mm tall**
- **Comprehensive feeding (radial, tape, tube, tray, bowl)**

UI.

Best-in-class complex SMT solutions.

U1. AGENDA

- 8:30 a.m. Welcome & Intro
- 8:30–9:00 a.m. Southeast Asia Market Trends
- 9:00–10:00 a.m. Universal Intro; setting the bar to conquer today/future manufacturing challenges
- 10:00 a.m. Coffee Break
- 10:15–12:00 p.m. Technical Seminar / Equipment Demo
- Challenges and best practices for:***
- Server Assembly
 - Transitioning from Manual to Automated Assembly
- Equipment Demo:***
- Fuzion™ Platform
 - Product Demo board: Variety of Pin Through-Hole components, LCD display, demo of passive clinch
- 12:00–1:00 p.m. Lunch/Networking Session
